CHF members and wider networks reach thousands of Australian health consumers across a wide range of health interests and health system experiences. CHF policy is developed through consultation with members and stakeholders, ensuring that CHF maintains a broad, representative, health consumer perspective.

CHF is committed to being an active advocate in the ongoing development of Australian health policy and practice. CHF has recently refreshed our strategy. Our *Strategic Plan 2018-2022* is accompanied by a long-term funding diversification plan.

Our organisational objectives are:

Advocating for impact – making credible and authoritative contributions to national health and social care policy and system design

Consumers shaping health – equipping consumer leaders to act with impact and influence

Partnering for purpose – strategically partnering with members, networks and stakeholders to maximise the impact of consumer voices and shape better health and social care

Resilient and strong – maintain and growing a strong and diverse membership and assuring our financial sustainability.
